## **MASO SINE PUMP Distribution in Southern Africa.**

Titepack are pleased to announce that we are appointed as official distributors of Maso products in Southern Africa. This includes the Maso SINE and Kontro SINE Pumps.

The SINE Pump has the following advantages:-

- ✦ Suction capability down to 0.85 bar.
- ✦ Gentle handling of pumped products.
- ✦ Shear sensitive products can be transferred with nearly no damage.
- ✦ Pulsation free operation.
- ✦ Flexible Hardware and Software system.
- ✦ Inline maintenance possible. The pump can be refurbished inline within minutes reducing plant downtime.

Please contact us for all you Maso and Kontro requirements. We look forward to hearing from you.

Yours Sincerely

A handwritten signature in black ink, appearing to be 'SW', written in a cursive style.
